

Please read important information below before submitting your registration

- Before registering for the exam, please contact your state board to learn how to become approved to test. Before NBCC can register you, we require confirmation of approval from your state board.
- Registrations are first received by our Accounting Department and forwarded to the Assessment Department after your fee has been processed. To confirm when your fee has been processed, please check with your financial institution.
- **The registration processing time is four weeks from the time your payment is processed.** Once registered you will be notified by email and postcard. Once registered, your exam fee is good for six months. Please note that many states impose their own eligibility deadlines that may be less than the six months NBCC offers.
- If you would like to check on the status of your registration, email examinations@nbcc.org with your state in the subject line.
- Special accommodation requests should be submitted to your state board for approval. The state board will notify NBCC once the request has been approved.
- Failure to contact your state board regarding special accommodation approval can delay the processing time. If your special accommodation approval is received after you are registered, this does not extend your six month eligibility time.
- A candidate may reschedule an examination appointment at no charge **one time** by calling AMP at 888-519-9901 at least two to three business days prior to the scheduled testing session. Please note, your rescheduled exam date must fall within your original 6 month eligibility period.
- Confirmation of your test date will come from AMP by email. You will not be sent an admission letter from NBCC. To verify your test date, contact AMP.
- Please do not contact AMP to schedule a test date until you have received confirmation from NBCC.
- **Your scores are automatically sent to your state board approximately four weeks after the last day of the testing week. Please check with your state board before requesting a score verification.**

It is the candidate's responsibility to ensure that all registration materials are received by NBCC.

If you are unsure of any piece of the registration process, please email NBCC at examinations@nbcc.org before submitting any registration materials or documentation.
