

NBCC Website Advertising Opportunity

Exclusively for NBCC Approved Continuing Education Providers

The National Board for Certified Counselors, Inc. and Affiliates accepts advertisements for placement on the NBCC website. NBCC is pleased to offer this exclusive advertising opportunity to NBCC Approved Continuing Education Providers (ACEPs). ACEPs that advertise on the NBCC website have the opportunity to reach large numbers of National Certified Counselors (NCCs) and other mental health professionals about their counseling-related products and services, including continuing education programs.

Approved advertisements will be published on the following NBCC webpages:

- <http://www.nbcc.org/Search/acepdirectory>
