

Important Information

Read before submitting your registration.

- Before registering for the exam, please contact the Alabama Board of Examiners in Counseling to learn how to become approved to test. Before you can register with CCE, confirmation of approval from your state board is required.
- The registration processing time is four weeks from the time your payment is processed. You will be notified by e-mail once you are registered. Your exam registration is valid for six months. Please note that many states impose their own eligibility deadlines that may be less than six months.
- Once you receive your exam registration notification from CCE, you can make an appointment to take the exam during the specified testing window. Exam appointments may be scheduled one or more business days in advance. Space at testing locations is limited and available on a first-come-first-served basis.
- If you have a special accommodation request, please submit it to the Alabama Board of Examiners in Counseling for approval before submitting your exam registration to CCE.
- To reschedule your exam, contact Pearson VUE at least 24 hours prior to your scheduled appointment. There is a \$50 fee to reschedule within seven days of your appointment. You cannot reschedule less than 24 hours prior to your appointment.
- After you schedule your exam, Pearson VUE will send you a confirmation e-mail listing your exam date, your exam time, the address and telephone number of the test center, and directions to the test center.
- Your scores are automatically sent to the Alabama Board of Examiners in Counseling approximately four weeks after the last day of the testing week. Check with the Alabama Board of Examiners in Counseling before requesting a score verification.

If you are unsure of any part of the registration process, please e-mail CCE at exam@cce-global.org before submitting any registration materials or documentation.
