INTRODUCTION

This handbook provides information about the examination and registration process for the National Counselor Examination (NCE). It outlines the design and content of the examination and guides candidates through the examination process, from registration through test taking. For your convenience, this handbook can be downloaded from www.nbcc.org.

ABOUT NBCC

The National Board for Certified Counselors (NBCC) is internationally recognized as a leading provider of counselor credentialing examinations. All 50 states, Guam, Puerto Rico, and the District of Columbia administer NBCC examinations as part of their counselor credentialing requirements. Based on its reputation for excellence in the examination field, NBCC has provided consultation services for examination and credential development to many other organizations in the United States and abroad, including NBCC’s affiliate the Center for Credentialing & Education (CCE). NBCC has contracted with CCE to oversee the examination process.

INDEPENDENT TESTING AGENCY

CCE has contracted with Pearson VUE to assist in the administration and scoring of the NCE. Pearson VUE is headquartered in suburban Minneapolis, Minnesota, with regional offices in Australia, China, Dubai, India, Japan, the United Kingdom, and the United States.

NONDISCRIMINATION POLICY

NBCC, CCE, and Pearson VUE do not discriminate against candidates on the basis of gender, race, creed, age, sexual orientation, or national origin.

ELIGIBILITY REQUIREMENTS

Please check with your state board for specific information about licensure application procedures and any additional requirements. If you have previously achieved a passing score on an NBCC examination, contact your state board to determine if you are exam-exempt. You may be required to apply to your state board prior to sitting for the NCE. Candidates may not schedule an examination with Pearson VUE until they have registered with CCE.

EXAMINATION ADMINISTRATION

The examination is delivered by computer at more than 900 Pearson VUE testing centers located throughout the United States. Generally, there are no application deadlines and a candidate may submit a registration form and fee at any time. Testing is normally during the first two full weeks of each month. The examination is administered by appointment only on dates authorized by CCE, Monday through Saturday beginning at 8 am with the last appointment at 5:30 pm. Please contact Pearson VUE for particular locations and details. Candidates are allowed three hours and 45 minutes to take the exam. Available dates will be indicated when scheduling your examination. Candidates are scheduled on a first-come, first-served basis.

HOLIDAYS

Examinations are not offered on the following holidays:

- New Year’s Day
- Memorial Day
- Independence Day (July 4)
- Labor Day
- Thanksgiving Day and the following Friday
- Christmas Eve (Limited hours)
- Christmas Day
REGISTERING FOR AN EXAMINATION

Examinees have the option to register online or via a paper registration form. Online registration is the preferred method, as it requires a shorter processing time.

To begin the online registration process, go to http://www.cce-global.org and choose the “ProCounselor” tab. Candidates cannot schedule an examination appointment with Pearson VUE until CCE has processed their registration. Pearson will then send email notification to registered candidates with examination scheduling procedures.

To request a paper registration form instead, contact paperreg@cce-global.org. Be aware that a paper registration will require an extended processing time.

REGISTRATION EXPIRATION

A candidate who fails to test within six months after registering with CCE forfeits the registration and all fees paid to take the examination.

EXAMINATION REREGISTRATION

If you are unsuccessful in your examination attempt, you may reregister at any time by following the same registration process; however, you will not be permitted to test until you have completed a three-month waiting period. The actual retest date will depend on the monthly testing schedule and site availability. A separate fee is required each time you register for the exam.

FEES AND REFUND POLICY

Candidates must submit the appropriate fee to register. Online payment must be made by credit card (VISA, MasterCard, or American Express). Paper registration forms must include a cashier’s check or money order payable to NBCC. Personal checks are not accepted. Examination fees are not refundable or transferable and expire if the registration process is not completed within one year.

SCHEDULING AN EXAMINATION

After you have completed the registration process and are approved to schedule your examination, you will receive an email from Pearson VUE with your candidate ID number. There are two ways to schedule an appointment for the examination:

1. Online scheduling is the preferred method. To use this service:
   - Retrieve your candidate ID number from the email.
   - Go to www.pearsonvue.com/cce and select “Create Account.”
   - Follow the simple, step-by-step instructions to select your examination program and register for an examination.

   Or

2. Telephone: Call Pearson VUE at 866-904-4432 to schedule an examination appointment. This toll-free number is answered from 7 am to 7 pm. Central time Monday through Friday. You may experience extended hold times.

When scheduling an examination, be prepared to confirm a location and a preferred date and time for testing, and to provide your client candidate ID number. Pearson VUE uses this number only for identification in maintaining your record. When you contact Pearson VUE to schedule an examination appointment, you will be notified of the time to report to the testing center. Please make a note of it, because you will not receive additional communications confirming your scheduled appointment.

TESTING CENTER LOCATIONS

Pearson VUE testing centers have been selected to provide accessibility to most candidates in all states and major metropolitan areas. A current listing of Pearson VUE testing centers, including addresses and driving directions, is available at Pearson VUE’s website (www.pearsonvue.com). Specific address information will also be provided when a candidate schedules an examination appointment.
SPECIAL ARRANGEMENTS FOR CANDIDATES WITH DISABILITIES

CCE and Pearson VUE comply with the Americans with Disabilities Act and strive to ensure that no individual with a disability is deprived of the opportunity to take an examination solely by reason of that disability. With supporting documentation, CCE and Pearson VUE will provide reasonable accommodations for candidates with permanent or temporary disabilities or for whom English is a second language. Please note that accommodations must be pre-approved by your state board and/or CCE. Visit www.nbcc.org/directory for state-specific information on special accommodations.

Candidates testing with approved special accommodations must schedule their examination via Pearson VUE’s toll-free number (800-466-0450) and inform Pearson VUE of the need for special accommodations. Please note, in order for an accommodation to be approved, the candidate must submit supporting documentation to accommodations@cce-global.org. Supporting documentation must be submitted on letterhead; dated within five years of the request; include the candidate’s full name, date of birth, diagnosis, and recommended accommodation(s); and be signed by a licensed, qualified professional.

Candidates should not schedule the exam without confirmation of the approved special accommodations. Candidates who schedule their examination date prior to confirmation of the approved special accommodations will forfeit the scheduled exam and the exam date will be rescheduled.

EXAMINATION APPOINTMENT CHANGES

You may reschedule an examination appointment for a $50 fee by calling Pearson VUE at 866-904-4432. You cannot reschedule less than 24 hours prior to your appointment.

MISSED APPOINTMENTS AND CANCELLATIONS

A candidate forfeits the examination registration and all fees paid to take the examination when he or she:

- Intends to reschedule an examination but fails to contact Pearson VUE at least 24 hours before the examination appointment.
- Arrives more than 15 minutes late for an examination.
- Fails to report for an examination appointment for any reason.

A separate registration and examination fee are required to reregister for the examination.

INCLEMENT WEATHER, POWER FAILURE, OR EMERGENCY

Candidates should call in emergencies that occur the day of testing and qualification for a retest will be considered on a case-by-base basis.

In the event of inclement weather or unforeseen emergencies on the day of an examination, Pearson VUE will determine whether circumstances warrant the cancellation and subsequent rescheduling of an examination. The examination will usually be rescheduled if the testing center personnel are unable to open the facility. If power to a testing center is temporarily interrupted during an administration, your examination will restart where you left off and you may continue the examination. You may appeal a power outage only if you are not returned to where you left off prior to the power outage.

Every attempt is made to administer the examination as scheduled; however, should an examination be canceled at a testing center, all scheduled candidates will receive notification by email or telephone regarding rescheduling or reregistration procedures.
EXAMINATION CONTENT

The National Counselor Examination (NCE) is a 200-question, multiple-choice, non-sectioned examination representing each of the original eight CACREP (Council for Accreditation of Counseling and Related Educational Programs) content areas, with question content also emerging from the five work behaviors determined by NBCC’s national job analysis. Thus, the content validity of the NCE is anchored in the five empirically derived work behaviors most relevant to competent counseling practice and the eight CACREP curriculum educational standards.

A different form (version) of the NCE is compiled for each administration of the examination. Each form’s questions, which are drawn from the item pool for the NCE, have undergone extensive review and field-testing.

Although each form of the NCE contains different questions, the content areas and the respective numbers of questions representing those areas are consistent. Within the set of 200 questions on each form of the NCE, 160 of the questions are counted for the purpose of determining whether you surpass the minimum criterion (i.e., “passing”) score for that form. Thus, the maximum possible score a respondent can achieve is 160. The remaining 40 items are unscored field-test items. Field-test items are included on the exam to gather item statistics to evaluate their performance for use on future exams.

The following is an outline of the eight CACREP domains on which the examination questions are based:

**Human Growth and Development**—Studies that provide an understanding of the nature and needs of individuals at all developmental levels.

**Social and Cultural Diversity**—Studies that provide an understanding of issues and trends in a multicultural and diverse society.

**Helping Relationships**—Studies that provide an understanding of counseling and consultation processes.

**Group Work**—Studies that provide an understanding of group development, dynamics, counseling theories, group counseling methods and skills, and other group work approaches.

**Research and Program Evaluation**—Studies that provide an understanding of types of research methods, basic statistics, and ethical and legal considerations in research.

**Professional Orientation and Ethical Practice**—Studies that provide an understanding of all aspects of professional functioning, including history, roles, organizational structures, ethics, standards, and credentialing.

The following is an outline of the five work behavior domains derived from a job analysis of professional counselors. The descriptions of the work behaviors are intended to be broad examples and are not exhaustive.

**Fundamental Counseling Issues**—Theory and application of counseling clients with conditions that may be a focus of clinical attention, and clients with various disorders including but not limited to neurocognitive, personality, anxiety, and depressive disorders.

**Counseling Process**—Assessing a client’s course of development or one’s appropriateness for working with a specific client. Conducting diagnostic interviews, distance counseling, and school/community outreach.

**Diagnostic and Assessment Services**—Assessing clients’ educational preparation and potential for harm to self and others. Conducting biopsychosocial interviews, initial assessments, and custody evaluations.

**Professional Practice**—Advocating for client needs and the profession of counseling. Applying career counseling interventions, current counseling, and multicultural counseling models.

**Professional Development, Supervision and Consultation**—Communicating with credentialing boards and consulting with the justice system, peers or other professionals, prescribers of medications, and professional organizations.

The National Board for Certified Counselors (NBCC) has developed a preparation guide for the NCE that includes general information about the exam, a practice test, tips and strategies for test-taking, and additional references. This is the only guide that includes actual retired test items. This guide can be purchased for $34.95 at [www.nbcc.org](http://www.nbcc.org).

PREPARING FOR THE EXAMINATION

Developing an effective study plan is essential for successfully passing the NCE. A good study strategy includes preparation. To prepare, first determine what you need to learn by reviewing the content areas for the NCE (CACREP areas and work behavior areas).

Choose your study materials and select a quiet, comfortable place that allows you to focus. Before you begin, check to make sure you have everything you need. Try to avoid interruptions.

Developing a study plan will allow you to learn the most as you study. Include setting goals in your study plan. Review what you have studied as often as possible.

TAKING THE EXAMINATION

Your examination will be delivered by computer at a Pearson VUE testing center. You do not need advanced computer experience or typing skills to take the examination. You will be required to select answer choices and in some instances scroll to the end of the current page using a mouse. On the day of your examination appointment, please plan to arrive at the testing center early. Prior to testing at the Pearson VUE testing center you are are required to read the Pearson VUE Candidate Agreement. You will be required to sign this agreement before you are allowed into the testing center. The document outlines what test takers should do if they need help with the examination and other policies. A sample of the agreement is found in the appendix of this handbook.

For your convenience, signs indicating Pearson VUE testing center check-in will be posted at the testing center.

A candidate who arrives more than 15 minutes after the scheduled testing time will not be admitted and will forfeit their registration fee.

The following security procedures apply during the examination:

COPYRIGHTED EXAMINATION QUESTIONS

All examination questions are the copyrighted property of NBCC. It is forbidden under federal copyright law to copy, reproduce, record, distribute, display, or share these examination questions by any means, in whole or in part. Those who do so may be subject to severe civil and criminal penalties.
EXAMINATION PROCESS

After your identification has been confirmed, you will be directed to a testing carrel. The system will monitor you via video throughout your examination session. Following the examination instructions, you will begin the timed examination.

You will have three hours and 45 minutes to complete this examination. The computer tracks the time you spend on the examination. The examination begins when you select “start.” A nondisclosure agreement (NDA) appears on the screen; you must agree to the terms of the agreement to proceed with the exam. You will have five minutes to agree to the NDA, or the examination will terminate.

After you agree to the terms of the NDA, you will click the “Next” button and arrive at the tutorial for the examination. You have 10 minutes to review how to navigate and respond to the examination items.

The examination will terminate if you exceed the time allowed. A digital clock indicates the time remaining for you to complete the examination.

Only one examination question is presented at a time. The question number appears in the upper right portion of the screen. Answer choices are identified as A, B, C, or D. Indicate your choice by clicking the option using the mouse. To change your answer, simply click on the alternate option using the mouse. You may change your answer as many times as you wish before the examination time limit.

Be sure to provide an answer for each examination question before ending the examination. There is no penalty for guessing.

FOLLOWING THE EXAMINATION

After completing the examination, you are asked to complete a short evaluation of your examination experience. Then, you will be instructed to report to the examination proctor to receive your unofficial score report, which includes your photograph. Your scores will be presented by CACREP area and by work behavior.

After verifying that you have abided by testing policies and procedures during the administration of your exam, CCE will report your official scores to your licensing organization.

Passing the examination does not guarantee licensure. NBCC, CCE, and Pearson VUE reserve the right to withdraw or void official scores if it is found a candidate engaged in misconduct, wrongfully sat for the examination, or violated the regulations of the respective organizations. Scores are reported in written form only and not over the telephone, by email, or by fax.

PASS/FAIL SCORE DETERMINATION

Examination scores are only determined by an individual’s performance on the exam. Neither individual scores nor passing scores are compared to or influenced by the performance of other examinees.

The passing point for the NCE is calculated using a modified Angoff method, which requires subject matter experts of the NCE examination committee to review and evaluate each question on the examination in order to determine the passing score that would be expected of a minimally competent professional counselor.

Passing scores may vary slightly for each version of the examination. To ensure fairness to all candidates, a process of statistical equating is used to determine the passing score for different versions of the examination. Statistical equating adjusts the passing score up or down by accounting for the overall difficulty of each version of the examination.

Test scores will not be modified based on work history, quality of clinical work, or other personal or professional variables (e.g., taking the test multiple times, belonging to honor societies, or holding other professional credentials).
SCORES CANCELLED BY NBCC, CCE, OR PEARSON VUE

NBCC, CCE, and Pearson VUE are responsible for the validity and integrity of the scores they report. NBCC, CCE, and Pearson VUE reserve the right to void or withhold examination results if, upon investigation, violation of regulations is discovered.

IF YOU PASS THE EXAMINATION

Your official scores will be forwarded to your state licensure board within 30 days of the end of the testing cycle. Candidates who pass the examination should follow their state board requirements for licensure.

IF YOU DO NOT PASS THE EXAMINATION

Candidates may take the examination once every three months. You can reregister by submitting a new examination registration with the appropriate fee.

Examinees may submit comments about the examination content, which will be shared with the NCE examination committee.

APPELLING EXAMINATION RESULTS

Examinees may appeal exam score results. To be considered, appeals must follow the guidelines below.

Administration Appeals

Candidates may base their appeal on:

- Proctoring errors (e.g., proctor failed to check candidates in properly, improper materials in the testing area).
- Site conditions (e.g., distractions, lighting failures).
- Computer failure (e.g., error messages, screen failures).

In order to submit an administration-based appeal, the candidate must immediately report the testing problem to the testing center staff to allow them the opportunity to provide help (e.g., earplugs, noise canceling headphones or other solutions). The test taker is required to have testing staff file a report of the testing problem while the test taker is on site. Before considering the appeal, CCE must be able to confirm the issue filed in the report through system logs or Pearson staff. If an incident report was not created at the testing site during the time of testing, the administration appeal will not be considered.

Filling out an online report is only for certification candidates. Those sitting at a Pearson VUE test center to obtain a license to counsel must request a Pearson VUE incident report while they are on-site. Reports created by phone after the examinee has left the test center will not be considered.

If properly submitted, examinees should expect to receive a decision regarding administration errors within 60 days.

Special Exam Accommodations Appeals

An individual can only submit an appeal of accommodations if initially approved for them. For the appeal to be considered, the candidate must file a detailed incident report while on site at the Pearson Testing Center, showing that the approved accommodations were not provided. If properly submitted, examinees should expect to receive a decision regarding special exam accommodations within 60 days.

Content Appeals

In order for the appeal to be considered, the candidate must provide a summary of the item in question and complete primary or secondary references (citations alone are not sufficient to support the appeal. Primary and secondary source data comes from the pool of knowledge generally acknowledged by counseling professionals (e.g., commonly referenced in research or textbooks). All content appeals must be reviewed by subject matter experts during secure committee meetings; therefore, content appeal decisions may take up to eight months.
Filing an Appeal

To be considered, an exam score appeal must:

- Be submitted within one week of the exam.
- Be e-mailed to appeal@cce-global.org. (Appeals are not accepted by telephone or other e-mail addresses.)
- Include the candidate’s full legal name, NBCC/CCE ID number, Pearson candidate ID number, test date, and testing center location.

Issues Not Valid for Appeal

Candidates are not eligible to appeal exam results based on the following:

- Failing the exam by one or two points. All examinations are carefully reviewed for accuracy.
- Sound. Noise-cancelling headphones and ear plugs are provided at each testing center. Pearson VUE will give each examinee the option to test if construction noise is detected in the area.
- Candidates cannot appeal if Pearson VUE grants them the chance to reschedule when test taking is not optimal.
- Testing errors on the part of the candidate (e.g., failing to scroll through all possible alternatives or unintentionally clicking an item);
- Test anxiety;
- Late arrival for the testing appointment;
- Failure to follow examination instructions as provided;
- Cut score determination; and
- The construction or criterion-related validity of the examination.

In addition, administration appeals must be accompanied by a Pearson Incident Report. Administration appeals will not be considered without a properly filed Pearson Incident Report.

FAILING TO REPORT FOR AN EXAMINATION

A candidate who fails to report for an examination forfeits the registration and all fees paid to take the examination. A completed registration form and examination fee is required to re-register for an examination.

CONFIDENTIALITY

Information about candidates for testing and their examination results are confidential. Studies and reports concerning candidates will not contain personally identifiable information unless authorized by the candidate.

SCORE VERIFICATION

Candidates may request score verification for themselves or a third party by submitting a completed Score Verification Request form and payment. This form is available at www.cce-global.org.
Pearson VUE Candidate Rules Agreement

Please review and sign the following exam rules, and ask the administrator if you have questions.

☐ I will not take the following types of personal items into the testing room: cellular phones, hand-held computers/personal digital assistants (PDAs) or other electronic devices, pagers, watches, wallets, purses, hats, bags, coats, books and notes. Studying is not allowed in the test center.

☐ I will store these items in a secure area indicated by the administrator. Cellular phones, pagers, and other electronic devices must be turned off prior to placing them in the designated secure area. The testing center is not responsible for lost, stolen or misplaced personal items.

☐ If I am given an erasable noteboard or exam-specific materials, I will not use them until after the exam has started. I will not remove these items from the testing room at any time during the exam, and I will return them to the administrator immediately after the exam.

☐ The administrator will log me in to my assigned workstation, verify that I am taking the intended exam and start the exam. I will sit in my assigned seat. I understand that eating, drinking, smoking, chewing gum and making noise that creates a disturbance for other candidates are prohibited during the exam.

☐ The administrator will monitor me continuously while I take my exam. The session may be videotaped or otherwise recorded for security or other purposes.

☐ If I experience problems that affect my ability to take the exam, I will notify the administrator immediately.

☐ The administrator cannot answer questions related to exam content. If I have questions of this nature, I will contact the exam sponsor after I leave the testing center.

☐ Break policies are established by the exam sponsor. Some exams may include scheduled breaks, and instructions will appear on the computer screen at the appropriate time; whether or not the exam timer stops depends on the sponsor’s policy. If I take a break at any other time, the exam timer will not be stopped. The administrator will set my workstation to the break mode, and I will take my ID with me when I leave the room. The administrator will check my ID before I return to my seat and will then restart my exam.

☐ While I am taking a break, I am permitted to access personal items that I stored during the exam only if necessary—for example, if I need to take medication at a specific time. I am NOT allowed access to other items, including cellular phones, exam notes and study guides, unless the exam sponsor specifically permits this.

☐ I will not try to remove copies of exam questions and answers from the testing center, and I will not share the questions or answers seen in my exam with other candidates.

☐ After the exam ends, the administrator will come to my workstation and ensure my exam has ended properly. The exam sponsors may display my score on the screen after the exam or may provide a printed score report. If a printed score report is provided, I will receive it after returning the erasable noteboard and other materials to the administrator.

Your Privacy – Your exam results will be encrypted and transmitted to Pearson VUE and to the exam sponsor.
